

April 2, 2013

Dear Math Resource Person,

You are invited to send one or more teams to the 2013 American Gifted Math Tournament where teams of students in grades 4 to 8 will compete face-to-face on June 8 in Fremont, CA. The opportunity for students to grow mathematically is unsurpassed, the problems are clever, engaging, and challenging, and the atmosphere is exciting for student and teacher alike.

Attached are details and the registration form for the 2013 American Gifted Math Tournament. Registrations are limited. Each team will have 5 students. The registration deadline is May 8, 2013. Since space is limited and acceptance is on a first-received, first-registered basis, you should register all your teams as quickly as possible.

Registration forms must be accompanied by payment or a purchase order. If the Tournament is oversubscribed, the teams affected will be notified and refunds will be made. Within two weeks of acceptance we will send a confirmation email.

Each team must be accompanied by an adult who will proctor a team from another school. Students should bring their own pencils.

Calculators will not be permitted. Every student will receive a certificate of participation, and awards will be given to high scoring individuals and teams.

For further information, call Anne Rogers at 415 608 4155 or email [arogers608@gmail.com](mailto:arogers608@gmail.com).

# American Gifted 2013 Math Tournament

April 2, 2013

**Date of Tournament:** Saturday, June 8, 2013,

**Time:** 2 PM to 5 PM Division E for Grade 4 and 5  
6 PM to 9 PM Division M for Grade 6, 7 and 8

**Place:** Warm Springs Community Center  
**47300 Fernald St.**  
Fremont, CA 94539

**Tournament:** Each team is composed of any five students from the same school who are in grades 4, or 5 for Division E; grade 6, 7 or 8 for Division M. A team may have students from different grades. There are two events: 10 individual problems and 10 team problems. The solution or solutions to each problem will be reviewed thoroughly. If needed, up to five tiebreaker problems will be employed.

**Cost:** \$90 per team.

**Chaperones:** One adult per team is required — as a proctor.

**Awards:** All students will receive a certificate of participation. High scorers, both individual and team, will receive awards.

**Calculators:** Calculators will not be permitted for this event. Students and chaperones should bring their sharpened pencils.

**Information:** For further information, e-mail [arogers608@gmail.com](mailto:arogers608@gmail.com) or call the Tournament Chair, Anne Rogers at 415 608 4155.
